Bluebird Song Available

The bluebird is often mentioned in songs, but a song has never been written exclusively about the bluebird. At the request of the North American Bluebird Society, Douglas Wood of Sartell, Minnesota, has composed "Bluebird, Fly." The song explains the plight of the bluebird in a touching, beautiful way. This song will enhance slide shows. Used at the end of a program or with accompanying slides, it will leave your audience speechless.

NATIONAL SLIDE PROGRAM FOR RENT

Bluebird conservators have donated 110 colored slides to tell the why's, where's and how's of maintaining bluebirds. The program has been well received by audiences of all ages. As a result, motivated viewers are constructing those much needed bluebird trails for all three bluebird species.

To give a "bluebird talk," you will need a projector and your own slide tray.

Simply check the appropriate box below, return it with your name and address and phone number to:

NATIONAL SLIDE PROGRAM
P.O. Box 6295, Silver Spring, MD 20911-6295

1. To rent the NABS Slide Program, mail a check for $10.00 after receiving a confirmation letter. Reservation dates #1 or #2

2. NABS CAVITY-NESTER SLIDE PROGRAM
"Cavity-Nesting Birds of North American Forests" is adapted from the book of the same name by Virgil E. Scott, Keith C. Evans, David R. Patton and Charles P. Shime of the USDA Forest Service. The 4-slide program introduces bluebirds to other cavity-nesting birds which many have encountered on their bluebird trails. Learn why NABS, when founded in 1976, included other cavity-nesting birds in its charter.

To give a "cavity-nester talk," you will need a projector and your own slide tray. A script is furnished for the 20-minute presentation. Simply fill in the three choices of dates you would like to rent the program and send your name, address, and phone number to:

NABS Cavity Nesters
P.O. Box 6295, Silver Spring, MD 20911-6295

1. To rent the slides to NABS in good condition immediately after returning the showing and understand that the slides cannot be reproduced without written permission.

Exciting New Media Program!
"Bluebirds - Bring Them Back"

This 20-minute VHS video cassette with sound will be useful for nature adventurists, science, language arts and social studies in the elementary grades. In high schools and college some uses would be for studies in biology, ecology, wildlife management, conservation and ornithology. Nature club programs, nature centers and lecture are other places where the film would spread the story of the plight of the bluebird.

To rent a VHS cassette, mail a check for $10.00 after receiving a confirmation letter.
